## MESSAGE FROM THE CHAIRMAN

*Education awakens the power of beauty that lie within us. Therefore, our motto is to build the nation through proper education, is at the heart of everything we do at the college. We aim at not just impart knowledge to the student-teachers, but also to inculcate in them wisdom, compassion and humanitarian spirit. In the present era of digitalized world, it is a challenge before educators and parents to nurture the young minds with all-round duties and responsibilities. Discipline, values and integrity are the foundation of the Anand College of Education. The College is well equipped with facilities like spacious class rooms, Laboratories and computer laboratories, Auditorium, Seminar Hall, well stocked Library, CCTV surveillance, cycle & bi-cycle stand, canteen, purified and cool drinking water plant. I am sure that you would experience a joyful teaching-learning environment in our college.*

## MESSAGE FROM THE SECRETARY CUM DIRECTOR

*"Education is the manifestation of the perfection already in man". Anand College of Education is set up with the noble mission of fulfilling this great saying of Swami Vivekananda. The aim of education is to elicit all the latent aptitudes in man for his success in future life. Education is a man making process and the purpose of education is to make man a man. The motto of our college is to impart such education as to make the Learner a full fledged man with human qualities and dedication for the service of humanity and the country. Strict and regular following up for the syllabus as per INC, AICTE & PCI norms will be accompanied with such teaching as will foster the human qualities of love, compassion, sacrifice, fellow feeling, tolerance and enlightened outlook free from all parochial ideas and conservative beliefs, prejudices and superstition. Learners will be made to realize the importance of discipline, punctuality, regularity, perseverance, sincerity and above all honesty. The college will leave no stone unturned to keep up all these messages.*

**Mr. Bikash Chandra Se**

## OUR VISION

The Institution, through quality, innovative and dynamic education, service and scholarship, will improve the general health and well-being of the residents of rural or under served populations. The college will educate pharmacists to embrace knowledge and technology to optimize pharmacist delivered patient care. The college will collaborate with stakeholders to develop centers of excellence and to address identified needs in rural health. The college is committed to super quality and high standard in education and vows to be recognized as the center of supreme excellence in Pharmacy Education. All these visions are expected to turn into reality with the active and spontaneous co-operation of the learned and experienced faculties who are committed to keep a vigilant eye on the overall development of the personality of the Pharmacy education - learner.

## OUR MISSION

The institution empowers the associates by-Providing timely and accurate information which is vital. Creating awareness about the role of pharmacists in patient care system for optimal medication use. Providing state-of-the art resource to enhance continuing professional development. Assisting to utilize knowledge and skills for the betterment of society. To maintain overall strict discipline and congenial environment for smooth and uninterrupted teaching in and around the campus. To inculcate the values of honesty, honour and integrity in the Pharmacy Education trainees. To develop personality and ethical values To foster inquisitive mind and love for learning. To awake the values of care, compassion tolerance, respect for culture and heritage of the country. To create love for nature, environment and progressive international outlook.
